What is the Handleman Walk for Autism?

The WALK is a fun family event with: Live music, food, a silent auction and more in a beautiful garden on Rutgers Campus. The event raises funds for children and adults with autism and celebrates the life's work of autism pioneer Dr. Jan Handleman (1951-2008). All are welcome and all get a goody bag for participation!

How can I Help? The success of the walk fundraiser depends on you. Tell everyone you know to join the walk! Please consider committing to walk as an individual or team to support autism! Please give a gift online if you cannot attend at

DOORS provides resources to help the children and adults at the center thrive and grow. Help support the work of the center, home of advanced treatment for autism!
